Learn the value of gymnastic training or dressage over fences: Relaxation, Rhythm, and Straight lines. Dressage basics will be applied to every rider for every fence. Learn the value of 'connection' not only by riding back to front with your horse but from horse to rider and rider to horse in order to maneuver fluently over a jump. Becky & Shellie will discuss the importance of dressage basics over fences or what hunt seat riders call flat work (printouts available).

**This clinic is for TREA juniors but is open to non
TREA members and adults after the closing date.**

Opening date - August 17th

Closing date - Sept 16th.

Open to adults - Sept. 17 - 25th.

Lunch is included for all riders.

Non rider's and auditors, lunch is \$10.00.

Preregistration required for lunch payable to TREA
